Angering

I'd like to
say "as if you
know my
feelings",
but

Don't you
get that this
is really
upsetting?

if you're
ESPer's who
can really
read my
heart,

you'd know
I feel like
I've lost, so
I won't
bother.

I decided
I wouldn't
come back
here.

Ever since
we got
involved with
Inga-san.

*I didn't think that there
would be such a large-scale
organization.*

But, the
yellow up
until now's
all gloomy,
al.

destroyed

that calm.

Something's off

What is it

Well, that doesn't matter

Probably doesn't matter

The colony says it was all destroyed, but

they're wrong

for
hunting
Anri.

I can't
forgive
them.

It's the
same with
my other
partners
but

I'll crush
the Slasher
Demon.

I'll crush
them all.

No matter
how many
they are.

I will definitely crush the Slasher Demon!

... Though
I'm also a
member
of Dollars.

If Dollars
are hiding
them,

then I will

crush
them
from
the
inside

GOD ATTA~CK!

「おれは神だ」

The closer the strength
all a homogenous
it

The despair
when it crumbles
it

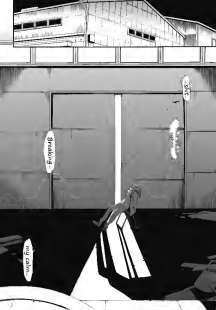

Now

things are
starting to
get fun,
aren't
they...

Breaking

my calm

Ally

pulling

me back in!!
